

KEYSTONE PACKARDS

Application for Membership

New or Renewal

KEYSTONE PACKARDS is a non-profit Region of Packard Automobile Classics, Inc., aka PAC and The Packard Club, since 1953. It is dedicated to the preservation and restoration of Packard cars, trucks and engines and to the People who own, restore and admire them.
Packard ownership is not required.

Keystone Packards, since 1974, is composed entirely of members of The Packard Club. Our activities serve our membership in Central and Eastern Pennsylvania. Events are designed for family enjoyment. Dues include a subscription to our publication, "Packard Panorama," which is a monthly, except for January. Also included is a bi-annual membership roster.

We also provide, through our membership, technical expertise and help with locating parts, maintenance and repair services.
